# CSCI 215
# **Social and Ethical Issues in Computer Science**

## Opinions vs Facts for research

# How to Cite A Paper, Website, Etc

- MLA, APA or Chicago

- **Great resource:** https://owl.purdue.edu/owl/purdue_owl.html

- The TAs will use this as part of the grading for your recitation presentations and papers

- You must use other's work in your recitation presentations and papers and to do this you must cite it

# Opinions Vs Facts

- [https://www.usg.edu/galileo/skills/unit07/internet07_08.phtml](https://www.usg.edu/galileo/skills/unit07/internet07_08.phtml)

- Be careful who/what you cite

- Beware of:
  - fake news
  - opinions
